The National Anthem

Nigeria we hail thee,
Our own dear native land,
Though tribe and tongue may differ,
In brotherhood, we stand,
Nigerians all, and proud to serve
Our sovereign Motherland.

Our flag shall be a symbol
That truth and justice reign,
In peace or battle honour'd,
And this we count as gain,
To hand on to our children
A banner without stain.

O God of all creation,
Grant this our one request,
Help us to build a nation
Where no man is oppressed,
And so with peace and plenty
Nigeria may be blessed.

National Pledge

I pledge to Nigeria my Country
To be faithful, loyal and honest
To serve Nigeria with all my strength
To defend her unity
And uphold her honour and glory
So help me God.

WOMEN'S ANTHEM

1. All Across the Nation
All Around the World
Women are longing to be free
No longer in the Shadows
Forced to stay behind
But side by side in true Equality
Refrain

So sing a song for Women everywhere
Let it ring around the world and never,
never cease,
So sing a song for Women everywhere,
Equality, Development and Peace

2. Women can't be silent
When around the world
People hurt and hungry children cry
We'll sing out now for Justice and
Development
And hold the Rights of all the People High
Refrain

3. Women now are working to build a
better world
Where the love of Peace can rest on every
shore
Where men lay down their weapons and
learn to love and share
And People work to bring an end to War

Refrain (2x) to end

INCLUSION AND NATIONAL SECURITY SUMMIT 2026

WELCOME ADDRESS BY THE CONVENER

Distinguished guests, esteemed leaders, partners, speakers, delegates, and friends,
It is my great pleasure to welcome you to the **Inclusion and National Security Summit 2026**.

The **iTeach Africa Initiative**, founded and registered in 2019, has remained committed to promoting education, empowerment, inclusion, and meaningful participation in governance and national development. Over the years, the Initiative has worked to create platforms that amplify voices, strengthen communities, and contribute to building a more inclusive and secure society.

Our theme, “**Advancing Women’s Leadership for Inclusive Governance and Security**,” reflects a simple but powerful belief: a nation is stronger when every voice has a seat at the table.

Women have always played critical roles in peacebuilding, community development, governance, and national security. This summit is about strengthening that contribution by creating greater opportunities for women to participate, lead, and influence decisions that shape our nation. Today, we are here not only to discuss challenges, but to build partnerships, exchange ideas, and develop practical solutions for a more inclusive and secure Nigeria.

I sincerely appreciate our distinguished speakers, partners, volunteers, delegates, and everyone who has contributed to making this gathering possible.

I warmly welcome you all and encourage us to engage openly, think boldly, and leave here committed to meaningful action. Together, let us empower women, strengthen inclusion, and build a safer Nigeria.

Thank you, and welcome to the Inclusion and National Security Summit 2026.

ITEACH
AFRICA
INITIATIVE

WELCOME TO OUR NGO

iTeach Africa Initiative is an international non-profit organization dedicated to advancing inclusive governance, women's political participation, leadership development, policy advocacy, and community empowerment across Africa.

Founded by Ebimoboere Alaibe Elezieanya, the organization exists to prepare a new generation of women leaders capable of influencing governance, public policy, national development, and democratic institutions.

We believe that sustainable national development can only be achieved when women are fully represented in leadership, governance, and decision-making processes.

Operating from Nigeria while expanding its impact across Africa, iTeach Africa combines advocacy, leadership development, civic education, and strategic partnerships build stronger institutions and more inclusive societies.

OUR GOALS

To build an Africa where women actively participate in governance, influence policy decisions, lead institutions, and contribute meaningfully to peace, security, and sustainable development.

BACKGROUND

Despite significant contributions to nation-building, women remain underrepresented in governance, political leadership, and security decision-making processes across Africa. This persistent gap limits the diversity of perspectives required to build inclusive institutions and responsive governance systems. Recognizing this challenge, I-Teach Africa Initiative launched the Empower Her for Governance Initiative to create pathways for women's participation and leadership in governance, public policy, peacebuilding, and national security.

OUR JOURNEY

I-Teach Africa Initiative was founded on the belief that education, leadership, and opportunity are essential to Africa's development. Over the years, we have empowered individuals and communities through advocacy, capacity building, and strategic partnerships that promote education, civic engagement, and social inclusion.

As our impact grew, we launched the Empower Her for Governance Initiative to advance women's leadership and participation in governance, peacebuilding, and national security. Today, we continue to inspire change, nurture future leaders, and champion inclusive governance across Africa.
